HAPPY EASTER

Hope your Easter is grand

From beginning to end—

That's just how it should be

For such a good friend

Mrs. P. Koppelman

P.S. May you enjoy Easter Day!
I've read Saga magazine article—it
was "terrific"! I got in touch with
Mr. Robert Welch John Birch Society Head.
He agrees on "Psychotic Ring." He knows
Psychistry is Communist & treach-
erous. "Ask him"!
